

This architectural floor plan depicts a large hall with a grid system. The grid is labeled with numbers 01 through 19 along the top and 1a through 19 along the right side. The hall is divided into several sections by vertical and horizontal lines. A large rectangular area in the center is filled with a grid of small squares, representing seating or a stage. A smaller rectangular area in the bottom left corner is labeled 'D' and contains a grid of small squares, possibly representing a stage or a service area. The plan includes various dimensions and annotations, such as '6643' and '18724', indicating the size of the hall and the distance between grid lines. The plan also shows a series of vertical lines on the right side, labeled 1a through 19, which may represent columns or structural elements. The overall layout is symmetrical and organized, with a clear grid system for reference.
